SCHOOL DISTRICT 83 WE TEAMS

038 41711 10 1183132938

- The amazing students and staff in our district have raised over \$140,000 through Toonie Tuesdays!
- We have adopted villages or built schools in Sierra Leone, Ghana, Ecuador and rural China
- Many local projects have made a big difference in our communities

Our school in Sierra Leone

Building a school in Ecuador

Travelling to the worksite by boat

KANATTBU

Free the Children School in rural China (we built a goat pen so the students have milk)

It was a HUGE goat pen! 1,000 goats
now live there!

Local projects

More local projects.....

Hunger Heroes - South Broadview

Making a Difference!

Spencer West helped us raise Toonie Tuesday funds at WaterWalks!

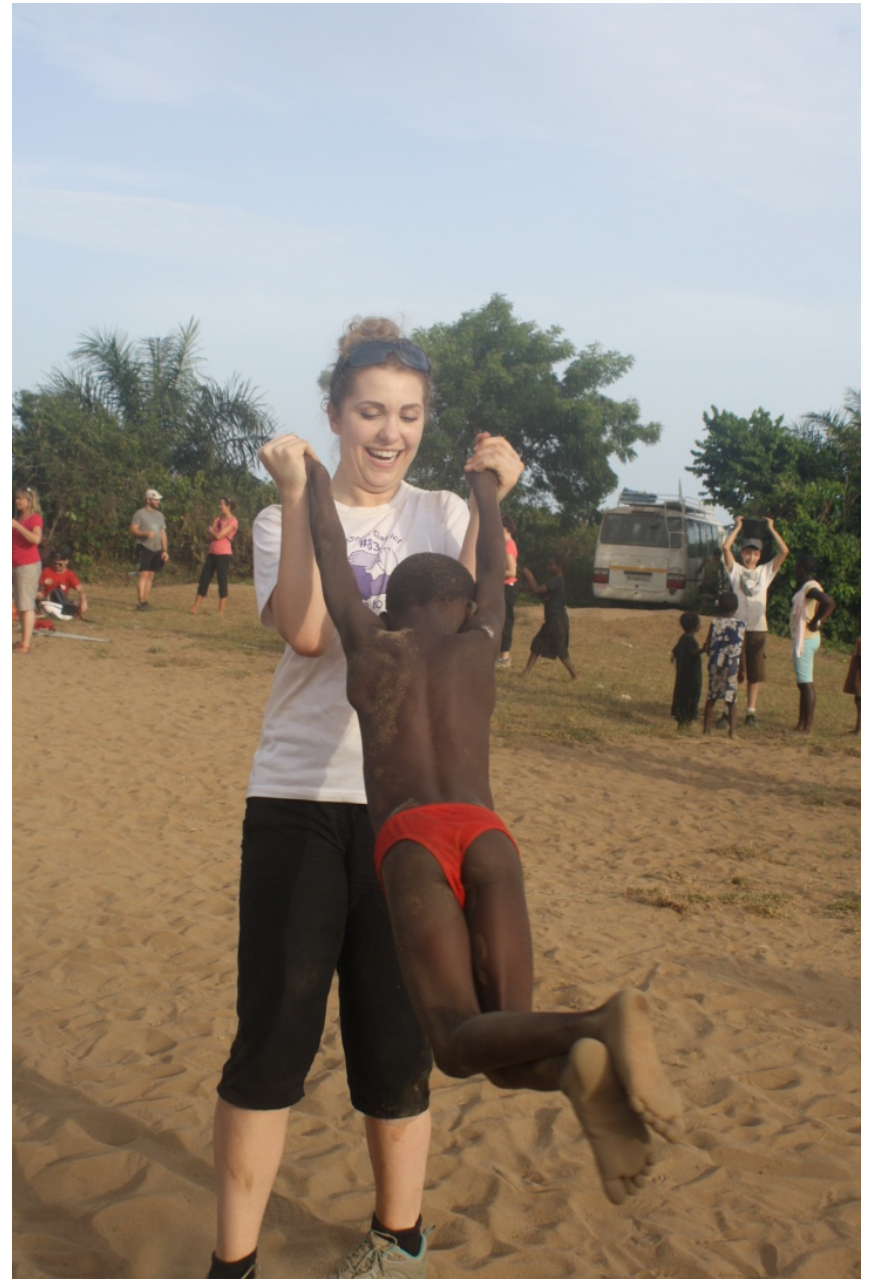

A family of 6-8 (and chickens and dogs)
all live in this small hut in our village in
Ghana

Walking to get rocks to use to build the school

- This year's Toonie Tuesday global funds will go to support a village in Nicaragua. Because it is not safe for our students to travel to Nicaragua at Spring Break, part of the funds raised will also go to support the village they will be working with in Tanzania. As always, schools will be able to apply to our District Student Leadership "Me to We" Committee for funds to support local projects.

"Get Doing" Award

Toonie Tuesday is October 23rd !
