

School District No. 83 (North Okanagan-Shuswap)

Please remember your mask!

The Transportation Department at School District No. 83 would like to thank both parents and students for following our safety protocols on the school bus to ensure that our students are getting to and from school safely each day.

We would like to remind families that students in grades K to 12 must wear a mask to board the school bus and keep their mask on for the duration of the bus ride.

Because masks have been added to our school bus rules, as mandated by the Provincial Health Officer, students will receive up to 3 school bus discipline memos for showing up to the school bus without a mask, improper use or for removing their mask while on the school bus. The 4th occurrence will lead to a school bus discipline letter removing them from the school bus until parents have a meeting with the principal and can confirm that the student will follow school bus rules going forward.

School District No. 83 will continue to update parents as changes to requirements are received from the Provincial Health Officer. Again, thank you very much for your support in helping us to provide a safe school bus ride for our children.
