Who is Participating?

School District 83
Five-Year Strategic Plan Renewal

2023-2028 will see a new:
Mission → why we exist
Vision → what we aspire to be
Values → what we believe in

We are asking for active participation, involvement, and voice from:

- students
- parents/caregivers/guardians
- community stakeholders
- Rightsholders/Indigenous Education Council
- representatives from the Métis community
- district staff
- North Okanagan-Shuswap Teachers Association
- CUPE/support staff
- PAC/DPAC members

Your participation in the strategic plan renewal process will contribute to building something very unique and special for the students and families of our district

We are looking for your input!

The survey is accessible via the QR code or by entering the link in your browser.

SMART goal setting EI is essential in all areas of life! Students need to be resilient, mentally and emotionally healthy, flexible thinkers to be successful. They need to be able to critically think, read and understand where other people are coming from. Diversity of life experiences, basic math and english skills, critical thinking and problem solving skills. Literacy in all its forms is crucial in order to function in society. Critical thinking skills need to be able to form thought and ideas independent of social media and peers.

— Medium

Students need to learn how to communicate effectively and develop strategies for managing self and working with others. Critical thinking and the skills needed to support this including literacy. Numeracy. Joy, motivation. Kindness. Happiness and positive contribution. Our students will need the ability to recognize and understand the changes, adapt to them and thrive. Self-assurance and self advocacy. More social emotional help. Students need physical, experiential learning, especially in groups. Life skills, money management, job security, work ethics could help with mental health as an adult. Learning through guided problem solving can help children learn as a life skill.

District Celebrations

Curling team off to Provincials

Congratulations to the Sullivan and Jackson curling teams which claimed the gold and silver medals at the Thompson-Okanagan Regional High School Curling Playdowns in Kamloops over the weekend. Both rinks went undefeated in their draws and met in the finals. After an intense game, Sullivan claimed the win and now goes on to represent our region in the province finals from February 22-25 in Terrace.

Early Learning Opportunities

Our Early Learning Team has some very good opportunities coming up in the next while. A Ready, Set, Learn Session will be held at each elementary school in our district. A Ready, Set Learn Session will be held at each elementary school in our district over the next several months. Check out the SD83 website or your neighbourhood school for details.

Pirate Loppet Coming Up!

Many of our elementary students will be taking part in the popular “Pirate Loppet” on February 3rd at Larch Hills. This unique opportunity for our students is an event designed to encourage kids to learn, and have fun cross country skiing. And of course, they get to dress like a pirate. Thank you to our sponsors for making this possible.

Kindergarten/Early French Immersion/Outdoor Learning Registrations

Registration for these programs is currently open.
