

POLICY 360 STUDENT ADMISSION

The Board of Education of School District No. 83 (North Okanagan-Shuswap) recognizes its obligation as prescribed in [Section 2 of the School Act](#) to provide an educational program free of charge to students of school age whose parent or legal guardian is ordinarily resident in British Columbia. These students are eligible for operating grant funding through annual provincial enrollment verification processes.

The Board of Education cannot claim operating grant funding for any student whose parent or guardian is not ordinarily resident in British Columbia. Students wishing to attend School District No. 83 who do not meet the conditions outlined in Administrative Procedure 360 – Ordinarily Resident Students and who are unable to pay tuition may request the Superintendent of Schools to reconsider the decision. A final appeal to the Board of Education for special consideration can be made when all other options have been exhausted.
