

Safe and Positive Learning Environments

Stronger
student- school
connections

More supports
for diverse
learners

Safer physical
environment
design

Students-School Connections

- ▶ Students thrive on consistent connections from K-12
 - ▶ Minimizing negative behaviours
- ▶ Mental Health Supports
 - ▶ Access to well-trained Mental Health Counsellors for all students

Supports for Diverse Learners

With adequate supports we feel there will be safer spaces for students and educators

- ▶ Improved CEA and LRT supports
- ▶ Early Detection
 - ▶ ECE's in all Kindergarten classrooms
 - ▶ Quicker assessment times

Safe Spaces Inclusive environments for all students

Classrooms

Washrooms
- Single Stalls

Buses

Playgrounds

Change Rooms
- Private Spaces

*DPAC will
continue to
advocate for
those initiatives
which foster safe
and positive
learning
environments for
our children.*

- ▶ More CEA, LRT, Counsellors, ECE and SLP's
- ▶ More training (if needed) for our Educators
- ▶ Increased budget for Inclusive Education
- ▶ Facility upgrades
