

*Before completing these instructions:
 Locate your child's Pupil ID# by accessing MyEd using the information provided to you by your school.*

How to access the Traversa Ride 360™ website

1. Using the Chrome Internet browser, go to the URL provided by School District No. 83.

<https://bcnokanaganssd83.traversaride360.com/>

2. If you do not already have a registered email, click 'Register'.

3. To register, enter your email address, password, and name.

4. After registering, you will receive a confirmation email. Click on the link in your email to confirm your registration through the Ride 360 website.

5. Log in, then find a student by going to My Students and clicking the 'Find Student' button.

6. Enter the unique information required by your district to find your student.

Pupil # and Birthdate YYYY-MM-DD (please include dashes)

Repeat this step to add additional students. If you need assistance, please contact your school district transportation department at [250-832-9415](tel:250-832-9415).

7. Once you have linked to a student, click on that student's profile to see all relevant transportation information.

 A login screen with a white background. At the top, it says "Login". Below that are two input fields: "Username (email)" and "Password". There is a "Login" button. Below the button are two links: "Register" and "Forgot Password". At the bottom, there is a checkbox labeled "New to the district?" and a "Find my school" button.

Login Screen

 A home screen for the Tyler School District Parent Portal. It has a teal header with the district logo and name. Below the header is a red banner with an important message about school closing. The main area has three large buttons: "My Students", "Message Center", and "Forms". At the bottom, there is a footer with contact information and a copyright notice.

Home Screen

 A "Find a Student" screen. It has a title "Find a Student" and instructions: "Enter the Student's information into the required fields below and click FIND." There is a "Student ID" input field. At the bottom right are two buttons: "CANCEL" and "FIND".

Find Your Student

8. To share a student link with another person, select a student and click the student options button in the lower-right corner.

9. Choose which students to share, then enter the email of the person you would like to share with. That person will receive a confirmation email that will automatically link them to the shared student(s). Recipients must register with Ride 360 (see first 4 steps), if they have not already done so, to access the student information.

How to access the Traversa Ride 360 mobile application

1. Download "Traversa Ride 360" from the Google Play Store or the Apple App Store.
2. After the app installation is complete, open Traversa Ride 360.
3. When prompted to find your school district, first select "Re-Select Country" and ensure it lists Canada, then search for the name of the school district your child attends. If you need assistance, please contact your school district.
4. Once you have selected your district, you will proceed to the login page. If you do not already have a registered email, click 'Register'.
5. To register, enter your email address, password, and name.
6. **After registering, you will receive a confirmation email. Click on the link in your email to confirm your registration through the Ride 360 website.**
7. Log in, then find a student by going to My Students and choosing the + button. This will present the Find a Student screen.
8. Enter the unique information required by your district to find your student. [Pupil ID# & Birthdate YYYY-MM-DD](#) (please include the dashes) Repeat this step to add additional students.
9. Once you have linked to a student, click on that student's profile to see all relevant transportation information.
10. Press the "share" button  to share a student link with someone else. Enter the email of the person you would like to share with. That person will receive a confirmation email that will automatically link them to the shared student(s). Recipients must register with Ride 360, if they have not already done so (follow first 6 steps), to access the student information.
11. Press the "location" button  to access the busing information for your Child. This will show you what the morning pick up information and afternoon Drop off information looks like for your child and whether or not the bus has been delayed.
12. The menu at the top left of your phone screen allows you to change your Settings, send the transportation department messages and contact information.
13. Regularly check for updates to ensure that your device is running the latest version of the app.
14. **Remain logged into the app to receive district notifications, even when the app is not actively running.**

For more information or any ongoing support such as username and password information, bus stop location questions, or other needs please contact School District No. 83's transportation department. Phone 250-832-9415 or Email operations@sd83.bc.ca

The image shows the home screen of the Ride 360 app. At the top, it says "Ride 360" with a logo. Below that, it says "Find your school district" and "Re-Select Country". There is a search bar with "Tyler school district" entered. Below the search bar, it says "Tyler School District" with a location pin icon.

Find Your District

The image shows the login screen for Tyler Tech School District. It has the district's logo and name at the top. Below that, it says "Login". There are two input fields: "Username (email)" and "Password". Below these fields is a "LOGIN" button. At the bottom, there are links for "Register" and "Forgot Password". At the very bottom, there are links for "Terms of service / Privacy Policy" and "Change District".

App Login Screen

The image shows the "Find Student" screen. It has a back arrow and the title "Find Student.". Below the title, it says "Please enter required information to find your student.". There is a large empty box for entering information. At the bottom, there is a green button that says "FIND STUDENT".
