Guardianship:

A person cannot become a child's guardian by agreement except if the person is the child's parent, or if guardianship is transferred by agreement under the *Adoption Act*, or the *Child, Family and Community Service Act* [Section 50 of the Family Law Act].

According to the Ministry of Education's policy on "Eligibility of Students for Operating Grant Funding", a person may be appointed as a child's guardian in only three ways:

- 1. by court order,
- 2. in a will made in accordance with the *Wills Act* (alternatively, a guardian may be appointed by prescribed form see section 27 of the <u>Family Law Act Regulation</u>),
- by a guardian who is facing terminal illness or permanent mental incapacity, provided the appointment is made in the prescribed form (see section 27 of the <u>Family Law Act</u> <u>Regulation</u>). [Sections 51, 52, 53 and 55 of the <u>Family Law Act</u>].

If the student's parent(s)/guardian(s) doesn't meet one of the three guardianship scenarios described above, contact the Office of the Superintendent.
