

Why Choose to Attend School in the North Okanagan Shuswap?

Reason Number 1: Our Communities

School District No. 83 (North Okanagan Shuswap) is located in one of the most beautiful places in the world.

In fact, when Maclean's magazine listed the 25 best communities in Canada one of the district's communities (Salmon Arm) was listed at number 6 in all of Canada and number 1 in British Columbia. International students who attend one of the schools in this district have access to excellent educational opportunities as well as some of the best outdoor adventuring opportunities in the world. Whether you are interested in x-country skiing, downhill skiing, sledding, mountain biking, hiking, horseback riding, canoeing or some of the other opportunities too numerous to list, this is the place to access them.

School District No. 83 (North Okanagan Shuswap) has five high schools, four with graduation programs. Each of the schools has excellent programs available for international students. Each of the schools also has its own individual character. Each school has different courses, clubs and activities available. We work hard to ensure students match their interests with the schools' opportunities.

Homestay families' and students' profiles are carefully reviewed to match similar interests.

Reason Number 5: Support Teacher

Our program has a support teacher who is trained in providing English Language support and academic support for the students. Our teacher also regularly connects with our students to ensure that they are enjoying their scholastic and homestay experiences.
